

Over The Rhine "White Horse"

Bring me a white horse for Christmas
We'll ride him through the town
Out into the snowy woods
Where we will both lie down

Underneath white birches
Our faces toward the sky
We will make snow angels
With our white horse standing by

Hush now, baby
One day we're gonna ride
Hush now, baby
Our white horse through the sky

Bring me a white horse for Christmas
We'll ride him through the snow
All the way to Bethlehem
Two thousand years ago

I wanna speak with the angel
Who said do not be afraid
I wanna kneel where the oxen knelt
Where the little child was laid

Hush now, baby
One day you're gonna ride
Hush now, baby
Your white horse through the sky

No bridle will he be wearing
His unshod hoofs they will fly
Keep a watch this Christmas
For that white horse in the sky

Hush now, baby
One day we're gonna ride
Hush now, baby
Our white horse through the sky

Hush now, baby
Let every angel sing

Hush now, baby
One day we'll ride again

Hush now, baby
Hush now, baby
