Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night

Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night Yeah

Shorty getting out the car
Let me figure out who you are
As you came and walk my way
I couldn't find the words to say
As the light stroke your face
I was only forced to stay
I couldn't wait another day

Never thought it would be me
Feels like a dream
But its reality

Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night

Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night Yeah

Seeing how we got this far
we might as well raise the bar
been looking for you where you are
I seen you right from the start
I dont wanna play no games
I'm inviding you to stay
Just listen to these words I say

Never thought it would be me
Feels like a dream

But its reality

Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night

Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night Yeah

Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night

Your gonna clap it up(2x)
I'm gonna wrap it up (2x)
We're going to smash it up (2x)
All Night Yeah
