There's nothing I can say
There's nothing i can do
Just want you back in my arms
So I'm still waiting for you

Why do you have to go?
And leave me here all alone?
Why the lovely mistake?
But every heart has got to break
'Cause every heart has got to break

And i can't find the time
No I don't wanna find the place
'Cause just got carried away my love
But you're gonna gonna leave back one day

So why did you have to go?
And leave me here all alone?
Why the lovely mistake?
Cause every heart has got to break
