Countdown to midnight, baby  
And I'm out here looking for you  
'Cause you're on my wish list, honey  
And I wanna be on yours too

Let's get down to business  
Can I get a witness?  
'Cause I want you to be my boo

But there ain't no pressure  
Don't need to prove  
'Cause you got me feeling, feeling good  
And I wanna, wanna, wanna, wanna, wanna

I want your kiss  
(When you're talking)  
(When you're walking)  
(Oh baby, don't stop it)

I want your kiss  
('Cause I need it and I mean it)  
(And you better believe it)

I want your lips up against mine  
When we grind by my side  
Oh baby, 'cause you're super fly

And you got me feeling, feeling good  
And I wanna, wanna, wanna  
Wanna, wanna, I want your kiss

Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na

I want the front row seat  
Could you make me a VIP?  
When you're in the spotlight, baby  
I don't want to miss anything

Can I get a witness?  
'Cause you're making me religious  
And I want you to be my boo

I want your kiss  
(When you're talking)  
(When you're walking)  
(Oh baby, don't stop it)

I want your kiss  
( 'Cause I need it and I mean it)  
(And you better believe it)

I want your lips up against mine  
When we grind by my side  
Oh baby, 'cause you're super fly

And you got me feeling, feeling good  
And I wanna, wanna, wanna  
Wanna, wanna, I want your kiss

Stop playing with me  
You know I'm sensitive  
I'm racking heartaches up  
This might get expensive

But I'll pay whatever price  
You're like a drug I need to live  
I'm addicted, baby  
And I want your kiss

Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na  
Yeah, I want your kiss  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na

I want your lips up against mine  
When we grind by my side  
Oh baby, 'cause you're super fly  
And you got me, got me feeling good  
And you got me, got me feeling

I want your kiss  
(When you're talking)  
(When you're walking)  
(Oh baby, don't stop it)

Oh yeah, I want your kiss  
( 'Cause I need it and I mean it)  
(And you better believe it)

I want your lips up against mine  
When we grind by my side  
Oh baby, 'cause you're super fly

And you got me, got me feeling good  
And I wanna, wanna, wanna  
Wanna, wanna, I want your kiss

Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na
