Been dancin' all alone
Keep starin' at the phone
I'm waitin' for your call
This time it was your fault

[pre-chorus]
You warm me up to let me go
You stay away to keep me cold
I don't know but some things never change
You turn me on to shut me down
You pull me close to push me out
I don't know but some thing's gotta change

[chorus]
You make me feel like I'm losing my mind, baby
You make me believe that we're losing this time, baby
C'mon, we're deep in the hole
Baby our love is out of control
You make me feel like I'm losing my mind, baby

Been usin' up the wine
Been cryin' all the time
I keep on askin' why
Don't wanna say goodbye

[pre-chorus]
[chorus]

[bridge]
I can't believe I'm feelin' so low
I can't believe you don't even know
So maybe we should just let it go
Oh no

[chorus]
