This is the road I want to take  
This is the choice I want to make  
This is the life that I create, yeah, yeah

Is this the start of something new?  
Is this my only way to you?  
This is the best that I can do, yeah, yeah

Where do we go?  
Oh, oh, I want to know  
Where do we go?  
Oh, oh, I want to know

Why do I run, run, run, run?  
Why do I run, run, run, run?  
The days go by I can't deny  
I can't erase your face  
Why do I run, run, run, run?

This is the day I have to face  
This is the moment to embrace  
This is something I can't replace, yeah, yeah

Where do we go?  
Oh, oh, I want to know  
Where do we go?  
Oh, oh, I want to know

Why do I run, run, run, run?  
Why do I run, run, run, run?  
The days go by I can't deny  
I can't erase your face  
Why do I run, run, run, run?

From the only home  
I've ever known  
From what I just found  
And in circles all around

From the ones I love  
And the stars above  
To another space

I'm just trying to find my place

Am I right or wrong?

Where do I belong?

Will I ever stay?

Hey, I wanna know

Where do I go?

Why do I run?

Why do I run, run, run, run?

Why do I run, run, run, run?

Why do I run, run, run, run?

The days go by I can't deny

I can't erase your face

Why do I run, run, run, run?
