Ooo, oh

Hey mama dont you wait up looking for your boyfriend
Cause he may never come back, no he may never
come
back
Working so hard, so far nothing comes easy
It wont get better believe me, dont let him see you
like that
Cause every time you hear his song, you fall right
back into his arms
Im sorry, but Im sorrrys aint enough

Whyd you have to go and leave us all alone?
If were gonna battle, better stop acting like a ghost
Whyd you have to leave your responsibility?
You get me all rattled, and then you go running out on
me
Go farther, snake charmer
Go farther, snake charmer

Three years to the date, too late, no change and your
still nowhere
No show, come and go, he doesnt know that were
caught
in a cold warfare
Do you ever wonder if he looks like you, if he talks
like you
I hope he turns out to be nothing like you

Whyd you have to go and leave us all alone?
If were gonna battle, better stop acting like a ghost
Whyd you have to leave your responsibility?
You get me all rattled, and then you go running out on
me
Go farther, snake charmer

Here comes another plan, no follow through
Just another thing, youre never gonna do
And it sounds so sweet I almost believed you
But Im not the only one here thats gonna lose.

Whyd you have to go?
Whyd you have to go and leave us all alone?

If were going to battle, better stop acting like a
ghost
Whyd you have to leave your responsibility?
You get me all rattled, and then you go running out on
me
Go farther, snake charmer
Go farther, snake charmer
Go farther
