You watch some clouds roll by they uncover the sun  
the smile upon your face now glows  
you look into my eyes and  
you see the future  
and it's with you  
by my side  
why do you leave (why do you leave)  
wait and see (just wait and see)  
I'll be the one (I'll be the one)  
that you will love  
it will happen someday  
someday

you drown from the surface  
you make it so hard (so hard) to find out what's on  
your mind  
I watch you sleep at night and  
you looked so peaceful  
Are you dreaming  
of you and I

why do you leave (why do you leave)  
wait and see (just wait and see)  
I'll be the one (I'll be the one)  
that you will love  
it will happen someday  
someday

you'll love me [x2]  
someday  
you'll love me [x2]

why do you leave (o yeah)  
wait and see  
I'll be the one  
why do you leave (why do you leave)  
wait and see (just wait and see)  
I'll be the one (I'll be the one)  
that you will love

oh you will love

will happen someday (o la la la)  
someday
