I hear things at night
Boom boom boom
I shake with a smile
Thinking its you

And I call out your name
What do I do?
This room is still the same
And I wont change a thing
Without you

What do I do?
What do I do?
Cause I wait, I wait, I wait...

The thoughts in my mind
They grow everyday
This city is asleep
And nothing remains

I call out your name
What do I do?
This place is still the same
And I wont change a thing
Without you

What do I do?
What do I do?
Cause I wait, I wait, I wait...

Is there good?
Is there good?
Is there good?

Cause I try to find it
Yeah I try to find it
And I try to find it

What do I do?
What do I do?
Cause I wait, I wait, I wait...
