You're a vision, the girl of my dreams
All I ever wanted, all that I need
I should be thankful for all that I've got
I should be falling but, baby, I'm not

'Cause I've got a haunted heart
Baby, she's still inside of me
I wanna make a new start
These walls are high around me
I can't seem to break free
(From this haunted heart)

Back in the distance, lost in the past
If love is forever, why didn't it last
I'm telling you, baby, I would give anything
To return all the love that you've given to me

I've got a haunted heart
Baby, she's still inside of me
I wanna make a new start
These walls are high around me
I can't seem to break free
(From this haunted heart)

I've got to break free, oh yeah

Oh oh oh, oh oh, I know it hurts you
Oh oh oh, oh oh, you can't get close
Oh oh oh, oh oh, I wish that I could just let her go, just
let her go

I've got a haunted heart
Baby, she's still inside of me
I wanna make a new start
These walls are high around me

I've got a haunted heart
Baby, she's still inside of me
I wanna make a new start
These walls are high around me

I've got a haunted heart

Baby, she's still inside of me
I wanna make a new start
These walls are high around me

I've got a haunted heart
Baby, she's still inside of me
I wanna make a new start

I've got a haunted heart
