Here I am at six o'clock in the morning
Still thinking about you
It's still hard, at six o'clock in the morning
To sleep without you
And I know that it might
Seem too late for love
All I know
I need you now
More than words can say
I need you now
I've got to find a way
I need you now
Before I lose my mind
I need you now
Here I am, I'm looking out my window
I'm dreaming about you
Can't let you go, at six o'clock in the morning
I feel you beside me
And I know that it might
Seem too late for love
For love Oh, Oh, Oh
I need you now
More than words can say
I need you now
I've got to find a way
I need you now
Before I lose my mind
I need you now
More than words can say
I need you now
Oh I got to hear you say
I need you now
Before I lose my mind
I need you now
I need you now
