With that innocent smile, you said trust me
Together we'll go far, you just trust me
Making promises in vain, that's easy for you
You gather all the pain, that's all you can do

All on my own, I was blind to see
You hypnotized me, I was lost
Now I've awakened
The stone was just sand, now I'm a man

Hey, I'll say what I wanna say
Hey, I'll be what I wanna be
Like a lion in a cage, inside I feel the rage
Hey, I'll say what I wanna say, can't stop me

You taught me a lesson, I'll never forget
To never go no further, than my soul allows

All on my own, I was blind to see
You hypnotized me, I was lost, now I've awakened
The stone was just sand, now I'm a man

Hey, I'll say what I wanna say
Hey, I'll be what I wanna be
Like a lion in a cage, inside I feel the rage
Hey, I'll say what I wanna say

Can't play your game, now who's to blame?
You think you're tough, I've had enough
Now I'm free from under the gun
Away from your spell I'll run, up and away

Hey, I'll say what I wanna say
Hey, I'll be what I wanna be
Like a lion in a cage, inside I feel the rage
Hey, I'll say what I wanna say, I wanna say, I wanna say
Hey, I'll say what I wanna say

Don't stop me
Hey, I'll say what I wanna say
Hey, I'll be what I wanna be
Hey, I'll say what I wanna say

Hey, I'll be what I wanna be
