Can I keep my crooked heart away from you?
But no matter how hard you try, you can't start again.
What can I do?
Shake off the burdens.
The weight of a plague wrapped around your head.
How much more the wicked and the sinner?
Lost, but we will find you.
Sinful man close your eyes.
I've been gasping for air.
For a moment I lost my sight, lost sight of heart.
How could I be such a vulture?
I'm afraid of the shadows the light brings from the
dark.
()
You have built a kingdom of vices oh child of a hollow
heart.
We have watched you live in fear.
We have watched you disappear.
Just stay alive.
We won't leave you behind.
I've been gasping for air.
For a moment I lost my sight, lost sight of my heart.
How could I be such a vulture?
I'm afraid of the shadows the light brings from the
dark.
Close your eyes.
Lost, but we will find you.
