Monday,
Well baby I fell for you

Tuesday
I wrote you this song

Wednesday
I wait outside your door,
Even though I know its wrong

7 days a week
Every hour of the month
Gotta let you
Know where my heart
Is commin' from

I shouldn't feel this way,
But I gotta say
Baby I gotta let you now

I will try
Everything,
To make you come
Closer to me

And baby do you believe
That it's not just a phase

How can I get it through
To tell you
What I cant lose

I will try 365 days,
365 ways to get to you

Yeah, to get to
You, you, you, you
Baby

Every second
Every tick tick of the clock (Every second)

I want you all to myself

I just can't
Handle myself,
Feeling kinda guilty
but girl I can't stop

Girl I don't wanna
Nobody else,
No one else,
No one else

I will try
Everything,
To make you come
Closer to me

I'll try 365 days
365 ways to get to you
