You know I flaunt ya, cuz girl I really want ya
And you lookin' nice
Got me cooler than a bag of ice
Now freeze, freeze, freeze, freeze
Now go, drop it fast and move it real slow
ooooohh! What?!

You smell so fruity
I'm a pirate, you my booty
arghh, So move it in close
and let me have my daily dose
Girl, I been thinkin about you, thinkin about me,
Whatcha think about it?

Five fingaz to the face
Five fingaz to the face
Five fingaz to the face
Five fingaz to the face

I love Martina, Vanessa, and Georgina
It's a ladies choice, Ima make sure to make some noise
And now we're sweatin', got my turbo engine reevin',
vroom

They stop and stare, all the haters think it's just not
fair,
That I'm six foot one and I'm tons of fun
And I'm about to put this club in gear
So fellas grab a cup, what
all my ladies you know what's up, yeah
put your hands to the sky if you're feelin' fly, and tell
me that you, what?!

Cuz I'm the man in charge, and ya know I'm livin' large
I got a big white house and a fancy yacht, and a
garage full of classic cars
what you talking bout' boy?, oh calm down
I know you don't think you can just come up in here and
buy me!

come on, you know what I got for you
Five fingaz to the face
Five fingaz to the face
Five fingaz to the face
Five fingaz to the face
OH!!!
