Are you listening?
Hear me talk, Hear me sing
Open up the door
Is it less? Is it more?
You tell me to beware
Are you here? Are you there?
Is it something I should know?
Easy come, easy go

Nodding your head
Don't hear a word I said
I can't communicate
When you wait, Don't relate
I try to talk to you
But you never even knew
So, what's it gonna be?
Tell me, Can you hear me?

I'm so sick of it
Your attention's deficit
Never listen, You never listen
I'm so sick of it
So I throw another fit
Never listen, You never listen

I scream, your name
But it always stays the same
I scream and shout
So what I'm gonna do now
Is Freak The Freak Out!

Whoa-Oh, Whoa-Oh, Whoa-Oh, Whoa Oh, Oh!

Easy come, Easy Go

Patients running thin (running thin)
Come again
Tell what I get
Opposite (opposite)
Show me what is real
If it breaks dose it heal
Open up your ear

Why you think that I'm here

Keep me in the dark
Are you even thinking of me
Is someone else above me
Got to know (got to know)
What am I gonna do
Cause I can't get threw to you
So what's it gonna be
Tell me can you hear me (hear me? Can you hear me?)

I'm so sick of it.
You're attention deficit.
Never listen, you never listen
I'm so sick of it.
So I'll throw another fit.
Never listen, you never listen

I scream your name!
It always stays the same.
I scream and shout!
So what I'm gonna do now is freak the freak
out.
