I know, you see  
Somehow the world will change for me  
And be so wonderful

Here I am  
Once again  
Feeling lost, but now and then

Live life  
Breathe air  
I know somehow we're going to get there  
And feel so wonderful

When you figure out how  
You're lost in the moment, you disappear  
It's all for real  
I'm telling you just how I feel

You don't have to be afraid to put your dream in action  
You're never gonna fade, you'll be the main attraction  
Wake up the members of my nation  
It's your time to be  
Not a fantasy (not a fantasy)  
Just remember me (just remember me)  
When it turns out right (When it turns out right)

'Cause there's no chance unless you take one  
And the time see  
Now if you live in your imagination  
Tomorrow you'll be everybody's fascination  
You see the brighter side of every situation

In my victory (In my victory)  
Just remember me  
When I make it shine  
Leave it all to me  
Leave it all to me  
When I make it shine  
Just leave it all to me

When you live in your imagination (Leave it all to me)

When I make it shine

Leave it

Make it

Leave it

Make it

Leave it

Make it

Leave it

When I make it shine

Just leave it all to me
