It's not even dark
And were just talking we talk
And I just wanted to stop
Cuz aren't we here for the music
And if you dare, just get up out of your chair cuz this
ain't going nowhere
We've got to move or your loosing
All I want to know
(Know)
Is when were letting go so
We can get this record to break
What we waste to top (top)
We never can rewind
All I'm really trying to say
Is shut up N dance
Show me watcha got
Shut up N dance
Are you in or not
You moving your mouth baby don't speak
Well Shut up N dance
If your into me
Cuz I can't want no more
Just get off the floor
Don't stop now is your chance
Shut up N dance
Till we drop
Cuz I'm sick of this space in between
You and me lying up
Till were making a scene
Creep the talk let it rock
If you know what I mean
Shut up N dance
Show me what you got
Shut up N dance
Are you in or not
Your moving your mouth baby don't speak
Well Shut up N dance
If your into me
Cuz I can't wait no more
Get off the floor
Don't stop now it's our chance
Shut up N Dance Dance Dance Dance (x2)

Put up your hands hands hands hands yeah
Shut up N Dance dance dance dance yeah
Shut up N Dance
