I don't want to make a scene
I don't want to let you down
try to do my own thing
and I'm starting to figure it out

that it's alright
keep it together
wherever we go
and its alright
oh well, whatever
everybody needs to know

You might be crazy
have I told you lately
that i love you
you're the only reason
that Im not afraid to fly

And it's crazy
that someone could change me
and no matter what it is I have to do
Im not afraid to try
and you need to know that you're the reason, why

I don't even care when they say
you're a little it off
look at me in the eye I say
I could never get enough

cause its alright keep it together
wherever we go
and its alright
oh well, whatever
everybody needs to know

You might be crazy
have I told you lately
that i love you
you're the only reason
that Im not afraid to fly

And it's crazy

that someone could change me
and no matter what it is I have to do
Im not afraid to try
and you need to know that you're the reason, why

if it was raining you would yell at the sun
pick up the pieces when the damage is done
you say it's just another day in the shade
look at what a mess we made

You might be crazy
have I told you lately
that i love you
you're the only reason
that Im not afraid to fly

And it's crazy
that someone could change me
and no matter what it is I have to do
Im not afraid to try
and you need to know that you're the reason, why
