You may think that I'm talking foolish  
You've heard that I'm wild & I'm free  
You may wonder how I can promise you now  
This love that I'm feeling for you always will be  
You're not this time that I'm killing  
I'm no longer one of those guys  
As sure as I live this love that I give  
Is gonna be yours till the day that I die -- Oh baby

I'm gonna love you forever, forever & ever amen  
As long as old men sit & talk about the weather  
As long as old women sit & talk about old men  
If you wonder how long I'll be faithfull  
I'll be happy to tell you again  
I'm gonna love you forever & ever, forever & ever  
Amen

They say that time takes it's toll on a body  
Makes the young girls brown hair turn grey  
But honey, I don't care, I'm not in love with your hair  
And if it all fell out well I'd love you anyway  
They say that time can play tricks on a memory  
And people forget things that they knew  
But it's easy to see it's happening to me  
I've already forgotten every woman but you --- Oh baby

I'm gonna love you forever, forever & ever amen  
As long as old men sit & talk about the weather  
As long as old women sit & talk about old men  
If you wonder how long I'll be faithfull  
I'll be happy to tell you again  
I'm gonna love you forever & ever, forever & ever  
Amen

Just listen to how this song ends  
I'm gonna love you forever & ever forever & ever  
Forever & ever Forever & ever Amen
