Lord, I know I prayed you'd take away the loneliness I  
knew

My wildest dreams could not conceive the work your  
hands would do

It feels so good to fall asleep in her arms every night  
Leave it up to you to do things right

CHORUS:

Lord, she sure is good at  
loving me

I know you had a hand in this

'Cause it's been so plain to see

Then I've been blessed with the very best

That love will ever be

Lord, she sure is good at loving me

I know that I may never find a way to repay

The gift of love you gave to by me sending her my way

The very best that I can do is less then you should ask

But I'll do the best I can to make love last

(REPEAT CHORUS)
