Last night we brought the children by to visit their
Grandpa
And it's plain to see they're truly part of him
While we were there
Their Grandma took out some old photographs
Man, he sure looked a lot like me back then

I'm seein' my father in me
I guess that's how it's meant to be
And I find I'm more and more like him each day
I notice I walk the way he walks
I notice I talk the way he talks
I'm startin' to see my father in me

And today I took my wife for a walk
Down that old dirt road
Where my Daddy took my Mom so many times
And we found the time
To mention things we never had before
And we shared some thoughts about the family life

Yeah, I'm seein' my father in me
I guess that's how it's meant to be
And I find I'm more and more like him each day
I notice I walk the way he walks
I notice I talk the way he talks
I'm startin' to see my father in me

And now lookin' back I can recall the times we
disagreed
When I could not take hold of his old fashioned ways
And the more I tried to prove him wrong
The more I proved him right
Now I know why he still stood by me
When I went through that stage

I'm seein' my father in me
I guess that's how it's meant to be
And I find I'm more and more like him each day
I notice I walk the way he walks
I notice I talk the way he talks
I'm startin' to see my father in me

And I'm happy to see my father in me
