Girl, tonight it's all about you
I don't want any of your friends trying to pull you away
Anything that you wanna do, cool
Give me tonight and I will give you everything you need
It's on you now, what you wanna do
You can follow my lead and I will take you
Out on the dance floor where you work in the best
But I want you to do it my way, yeah

Take the tempo down, Mr DJ
I wanna make her body move slowly
And I don't want the music to get any faster
Baby, oh

[Chorus]
'Cause I like dancing slow
Let the music do its thing
You know you want it to, baby
Dance slow with me tonight
'Cause I like dancing slow
Let the music do its thing
You know you want to, baby
Dance slow with me tonight

I can't keep it on the low, low
'Cause this thing we got going is making me hot
And all this time being solo
Has got me thinking you could be the one to ride
It's on you now, what you wanna do
We could leave this place or continue
Out on the dance floor where you work in the best
But I want you to do it my way, baby

Take the tempo down, Mr DJ
I wanna make her body move slowly
And I don't want the music to get any faster
Baby, oh

[Chorus]
'Cause I like dancing slow
Let the music do its thing

You know you want it to, baby
Dance slow with me tonight
'Cause I like dancing slow
Let the music do its thing
You know you want to, baby
Dance slow with me tonight

Oh, I can feel your heart beating from across the floor
And it's in awe of the feeling that we got going on
I can feel your heart beating from across the floor
And it's in awe of the feeling that we got going on

[Chorus]
'Cause I like dancing slow
Let the music do its thing
You know you want it to, baby
Dance slow with me tonight
'Cause I like dancing slow
Let the music do its thing
You know you want to, baby
Dance slow with me tonight
