I got you where I want you yeah
Right here on the dance floor
I got you where I want you now
I swear you'll be asking for more

Go on and be yourself let loose yeah
Just go and 'cut a rug' on this
Coz' I got you where I want you now, I swear
You gon' get more than you know
I hope you're ready coz' here we go

Baby, let's just turn it up tonight
T-turn it up one time
T-turn it up all night
[repeat]

Let's make this night one to remember
Let's make this night one
Let's make this night last forever
I want this forever yeah
[repeat]

I got you in a daze girl, yeah
Now I'm in full control
I got you in a maze so lost
That you'll never want to be home
Oh... and so

Girl just gimme' one night, night
Just gimme' one time, time
Just gimme' one night, night
To love you right, hey
[repeat]

Baby, let's just turn it up tonight
T-turn it up one time
T-turn it up all night
[repeat]

Let's make this night one to remember
Let's make this night one

Let's make this night last forever
I want this forever yeah
[repeat]

Let me see you under the strobe-lights
Girl keep talking that lyrical love tonight
Just say this with me coz' it feels so right
Summer days ahead
Ain't gotta be alone tonight
[repeat]

I want this forever...

Let's make this night one to remember
Let's make this night one
Let's make this night last forever
I want this forever yeah
[repeat]
