Baby, I wanna be serenading you

Is there something you wanna say  
I've seen you here every day  
I'm focused and I've got the time for you  
Switched my phone off, engaged  
My all to your beautiful face  
And let you know I'm all ears  
What you wanna say to me, baby

I'm over this mystery when you look at me  
I get this feeling inside like there's more to you and me  
Than just passing each other by

Seeing you is a trip  
I want you to be with me, ay  
Don't wanna waste no more time  
Let's make a date  
You and I, oh

[Chorus]  
You and I  
Oh, baby, that's all I want  
You and I  
Oh, nothing more, nothing more  
You and I  
Oh, baby, that's all I want  
You and I  
Oh, nothing more, nothing more  
You and I

Now I'm standing here  
Can I take you by the hand  
And just show you a side of me you don't know  
Switch your phone off, don't miss this  
No one to refuse on this business  
Girls, I want you all ears  
Now just listen to me serenade you

Baby, I wanna be serenading you  
Baby, I just wanna be serenading you

Oh, let me serenade you

Seeing you is a trip  
I want you to be with me, ay  
Don't wanna waste no more time  
Let's make a date  
You and I, oh

[Chorus]  
You and I  
Oh, baby, that's all I want  
You and I  
Oh, nothing more, nothing more  
You and I  
Oh, baby, that's all I want  
You and I  
Oh, nothing more, nothing more

You and I, hey  
You and I, oh  
You and I, hey  
You and I, oh  
You and I

Just you and I  
Just you and I  
Just you and I  
Just you and I  
Just you and I  
Just you and I  
Just you and I  
Just you and I

[Chorus]  
You and I  
Oh, baby, that's all I want  
You and I  
Oh, nothing more, nothing more  
You and I  
Oh, baby, that's all I want  
You and I  
Oh, nothing more, nothing more

You and I, hey  
You and I, oh  
You and I, hey  
You and I, oh  
You and I
