[Verse 1: RA The Rugged Man]

Ruin your idol, I'm glued to the Bible and my rifle,  
losing your title  
Instead of shooting you're suing for libel  
Everybody hate me cause I stay true to the facts  
The Ku Klux Klan hate me more than Jews and Blacks  
Yeah, you over for certain, you can pray to whoever  
Jehovah, Buddha, Allah, Jesus, Mother Mary the Virgin  
Is it the violence that the TV taught us?  
I grew up worshipping Charles Bronson, John Rambo,  
and Chuck Norris  
Pazienza the Pazmanian Damien rapping the pain he in  
Cracking your cranium, I'm macking mahogany at the  
Palladium  
I'm Bruce Leroy, you Eddie Arkadian  
I got the gat and the black me Arabian I'm  
waterboarding like Dick Cheney  
And yo back at the first day of my birth  
The moment I was born I was condemned by the  
Catholic Church  
Warsaw battling the streets we inhabited  
I'm sugar like Ray Robinson, you ain't even saccharin  
Leaving you staggering making an impact  
New York, we created this rap  
This a blatant attack, East Coast we taking it back,  
c'mon

[Chorus:]

Life is love, death, pain

Hate [?] nothing to gain

Life is love, death, pain

Hate [?] nothing to gain

[Verse 2: Vinnie Paz]

I'm letting this motherfuckers live, it was truly  
compassion  
I'm brutally bashing cause I'm steadily losing my  
passion  
Tell Louie to stab em or to shoot em with two different  
Magnums

I'm usually packing carry hawks like I'm Julian Jackson  
I'll rob em for Gucci, I'm a thief, these are Lucifer's  
actions

I'm a provider, I'm a messiah, Jesus' assassin  
I don't think it's anybody living truly could match this  
I slaughter Buddha through the computer, Medusa's  
companion

A lot of rappers wanna beef with the lion  
Ain't too many people that's as fucking lethal as I am  
I feast em and fry em, Vinnie so at peace with the  
violence

I exercise absolute power, peace to the tyrants  
I'm old school like quarter waters and eating in silence  
You new school like faggot rappers competing for  
prizes

I'm a send you to the afterlife speak to Osiris  
And when he ask you why you there tell him the  
lethalest virus

[Chorus]
