Close your eyes,  
Smell the lies,  
Drown your fear,  
You gotta be here,  
Where did you go,  
I wanna know,  
Ghost on your skin,  
Let me be your sin

8x Electrical

Spell on your mind,  
Eyes go blind,  
Truth or dare,  
A secret to share,  
Charm in the dark,  
Words to spark,  
Hands on your skin,  
Let me be your sin

Electrical  
The stare in your eyes  
Electrical  
The moments in spaces  
Electrical  
With you I want to collide  
Electrical  
Youâ€™re making me tingle  
Electrical  
Youâ€™re making me tingle  
Electrical  
Youâ€™re making me tingle  
Electrical

Hot n' steady  
Gettin' ready  
Into trouble  
Fake line,  
Sex crime  
Undercover  
I'm your lover

Hot n' wet  
No regret  
Truth or dare  
I don't care  
Everything fascination  
Everything fascination  
Everything fascination

Electrical,  
Hot as hell,  
Addicted to your smell  
Mouth shut  
Not to tell  
Electrical!
