I've been watching you on the dance floor,  
Been thinking you dance like a little whore,  
You're staring at me in your low-cut shirt,  
I can tell that you're beginning to flirt

I'm dancing closer next to you,  
You're getting closer next to me,  
You like my moves; I like your style  
You shake your booty; I start to smile

Oh shake, shake, shake your body for me  
Oh baby move closer to me  
Oh shake, shake, shake your body for me  
Oh baby move closer to me  
spin around for me my pretty doll  
get your groove on rock n' roll  
you're so pretty, you turn me on,  
can you dance some more for me...

I move around and get on the ground  
I get my groove on to the song,  
I dance pretty drunk all night long  
C'mon baby give me your hand

Salacious thoughts of you in my mind  
You pull me into you and start to grind  
Your body is rubbing up and down on mine  
Our steaming bodies are intertwined

You're breathing hard and moan in my ear  
You lean back in my arms, I pull you near  
You tell me, "Take me home with you."  
I said "Hell yeah, lets go screw."

Oh shake, shake, shake your body for me  
Oh baby move closer to me  
Oh shake, shake, shake your body for me  
Oh baby move closer to me

Can you dance some more for me?  
Can you dance some more for me?  
Can you dance some more for me?

Can you dance some more for me?

Let's Hook-Up!  
Let's Hook-Up!  
Let's Hook-Up!  
Let's Hook-Up!

Let's get outta here, outta here...  
Let's get outta here, outta here...

i wanna kiss you all night long,  
and touch you and take you home  
Gimme a kiss you pretty doll,  
Let's get outta here, outta here...

Oh shake, shake, shake your body for me  
Oh baby move closer to me  
Oh shake, shake, shake your body for me  
Oh baby move closer to me

you're so pretty, you turn me on,  
can you dance some more for me...

Oh shake, shake, shake...
