Butterflies, Vodka and another date  
Ping Pong on the internet,  
Intense exchange, was it fate  
A crush, when our eyes met

Everything new and cool,  
No holding hands was the rule,  
Woke up in your bed,  
No time to play,  
It was pretty straight forward,  
No time for being gay

Behind the scene,  
Party Queen,  
You met my so called "friend",  
Strange, you didn't pretend,  
Looking at her thong,  
Didn't feel wrong,  
Dark corner, Split distraction,  
Turning back with satisfaction

London Skanks,  
What cheating Bitches,

London Skanks,  
What cheating Bitches,

Super-trash, sexy-clash, another date  
club buzz, high fuzz, women on a plate  
with my shades on, dancing to the beat  
found someone, a tick off on my sheet

Super-tramp, one-time-thing, another regret  
Lag control, it's a show for what i can get  
Smoked a hundred fags with my cool friends,  
Drank champagne, I'm looking for my benz

Indisposed, "popular", you came to say hi  
Introverted, extroverted, tell me a lie,  
You pretend, that she is your friend,  
You wanna try, I tell you good-bye

London Skanks,  
What cheating Bitches,

London Skanks,  
What cheating Bitches,

Your ex is a c\*nt, my ex is a c\*nt

I will take you down,  
If you want to come around,  
I will take you down,  
If you want to come around,

Come around, come around, come around, come  
aroundâ€¦

London Skanks,  
What cheating Bitches,

London Skanks,  
What cheating Bitches,

Your ex is a c\*nt, my ex is a c\*nt
