For a long time I wanted you,
Everything I confessed was true,
There isn't a word to say,
Tried to get in your way, get in your way

But now, things are different,
And you can't give, you always pretend,
I've found, someone new in town

And now I've turned you down
I've turned you down

Straight Ahead
Straight Ahead
Straight Ahead
Straight Ahead

I don't want it to end,
But you don't leave me a choice

And it's hard, hard to think straight,
Especially when you are near,
And I try, try to impress
I even bought a new dress,

And I pretend, I didn't see you,
You look too good to be true,
Cuz now you make me change my mind,
I wish I was blind! I wish I was blind!

Straight Ahead
Straight Ahead
Straight Ahead
Straight Ahead

I don't want it to end,
But you don't leave me a choice

You drive me mad, in my head,
I could leave you or hunt you instead
I don't know what to do,
I came back here, cuz i love you..

Straight Ahead
Straight Ahead
