She gave me a dirty look,
I think she wants it now,
Play me and I play you,
I want it out of control

She bites her lips, I lick my lips,
Can we touch and go,
She likes it rough and rips off my clothes,
She knows how to rock n' roll..

You're like a drug
I think I am addicted to you
You're like a drug
I think I am addicted to you

I wanna know how far I can go
I wanna know how far I can go
I wanna touch you, kiss you, miss you, lick you, thrill
you, kill you
I wanna touch you, kiss you, miss you, lick you, thrill
you, kill you

She gets down it makes me sweat,
Can I have some more,
Take me and I take you,
Lets get it on like whores

She got hot when I touched her tits,
I had a grin on my face,
She played me and I played her,
But now I want her more

You're like a drug
I think I am addicted to you
You're like a drug
I think I am addicted to you

I wanna know how far I can go,
I wanna know how far I can go,
I wanna touch you, kiss you, miss you, lick you, thrill
you, kill you
I wanna touch you, kiss you, miss you, lick you, thrill

you, kill you

You're like a drug

Can't stop falling you

I wanna touch you, kiss you, miss you, lick you, thrill
you, kill you
