(Break)

Our livesâ€¦ And every issueâ€™s tried
And magnified by â€œdrama queensâ€¦;
With judgmental mindsâ€¦
All the politics,
And their plexy-glass lives,
Theyâ€™re followed byâ€¦
The fallen lieâ€¦
And suffer in their own; timeâ€¦
While Iâ€¦ Step to the back of the lineâ€¦

(Refrain)

Iâ€™m nearâ€¦ Iâ€™m hereâ€¦ Theyâ€™ll tire; Iâ€™ll
wake.
â€¦To live the reasons as I deal with it.â€¦
Iâ€™m real, I bleed, I bend, ;I breakâ€¦
Breaking to bend to deal with itâ€¦
â€œDeal with itâ€¦

Imaginationâ€™s child; theyâ€™ll fantasize,
What goes on up-stairs here and realizeâ€¦
â€¦Their alley is broken glass,
Shattered truths and broken pasts,
Another angry mess of intolerance,
Breaking to bend, as they all fall in line.
Breaking to Bend My Lifeâ€¦
Step in lineâ€¦(the waters fine)

(Refrain) x2

â€¦Mother Mary. Break To Bendâ€¦
