Hands (TK)

It's all in your hands! It's all in your hand!
Try to see through the ignorance!
It's all in your heads! Is that what they said???
They lied to you again!.

And you feel like you're in over your head,
It's O.K. â€¦ You're only human!

It's out of your hands, you're part of the
plan!
â€¦ Designed for you oh yeah!

And you feel like you're in over your head
â€¦ And you're dying to feel alive again! It's
O.K!
â€¦ It's O.K! You're only human!

(SOLO)

It's all in your hands. You're part of the plan.
Try to see though your ignorance.
When you feel like you're in over your head!
And you're dying to feel alive again!
It's O.K! It's O.K!
You're only human! It's O.K!
You're only human! It's O.K!
You're only human!
