I'm tired of being what you want me to be  
Feeling so faithless, lost under the surface  
Don't know what you're expecting of me  
Put under the pressure of walking in your shoes  
Every step that I take is another mistake to you

I've become so numb, I can't feel you there  
Become so tired, so much more aware  
I'm becoming this, all I want to do  
Is be more like me and be less like you

Can't you see that you're smothering me,  
Holding too tightly, afraid to lose control?  
'Cause everything that you thought I would be  
Has fallen apart right in front of you.  
Every step that I take is another mistake to you.  
And every second I waste is more than I can take.

I've become so numb, I can't feel you there,  
Become so tired, so much more aware  
I'm becoming this, all I want to do  
Is be more like me and be less like you.

I've become so numb, I can't feel you there,  
Become so tired, so much more aware.  
I'm becoming this, all I want to do  
Is be more like me and be less like you.
