TONIGHT 'S THE NIGHT

Ove Stoylen

Album: Dusty Boots.

It's Friday night and we're all dressed up  
Cruising to town in my shiny pickup  
Got my hair combed back, every girls dream  
My bag is packed with loads of beer  
It's the end of the week so I don't care  
The time has stopped 'till Monday it seems  
Tonight's the night; I'm fit for a fight  
I'm drinking my beer for good times  
I'm ready tonight, not a cop in sight  
Yeah, I'm drinking my beer for good times.  
There comes Johnny with a guitar in his hand  
Joe comes after with a fiddler band  
We all sit down by the fireplace  
There comes the girls and we'll have some fun  
It looks the nights just begun  
When the band begins to play, we start to dance
