Go Go Go Go

Go

My Time has come to go
I canno't stay forever
Don't know what place could be
Anything is better for me
control the pain no longer
I'm getting all much stronger
I feel like lose my mind
Time to say goodnight

Go

Go please let me go
please let me go
Please let me go
please let me go
Go, please let me go
Go Go

Go Go Go Go

My Time has come to go
I cannot stay forever
Don't know what place could be
Anything is better for me
control the pain no longer
I'm getting all much stronger
I feel like lose my mind
Time to say goodnight

please let me go
please let me go
please let me go
please let me go
go, please let me go
Go Go
