Smart girls donâ€™t fall in love
Smart girls donâ€™t fall in love
Smart girls donâ€™t fall in love
Smart girls donâ€™t fall in love

I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in
Love

It feels so wrong but right
Baby at the same time
You got me up all night
Look what you do

I know that if I let you
Boy youâ€™ll break my heart
So Iâ€™m gonna lay down a couple of rules
Baby from the start
Number one, when were done
You can get your things and leave
Just remember this is business
Thereâ€™s no you and me

I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in
Love

It feels so wrong but right
Baby at the same time
You got me up all night
Look what you do

Smart girls donâ€™t fall in love.
Smart girls donâ€™t fall in love.
Smart girls donâ€™t fall in love.
Smart girls donâ€™t fall in love.

I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in

Love

It feels so wrong but right
Baby at the same time
You got me up all night
Look what you do

I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in
I donâ€™t want to be in, want to be in
Love

It feels so wrong but right
Baby at the same time
You got me up all night
Look what you do
