I took your advice
Felt like Columbus last night
I discovered why
I turned out the light oh oh oh

Follow you inside
I feel like Jekyll and Hyde
Half of me's alright
And half of me's not oh oh

Rolling over
And now you wanna believe
I lost my mind
On fly by nights
[x2]

Ooo ooo ooo
Ooo ooo ooo
Ooo ooo ooo

I took out the Queen
She said you're just twenty three
I told her
It doesn't matter to me
Oh oh oh

I'm thinking of you
And so I'm drinking for two
What's your excuse?
You don't have one oh oh

Rolling over
And now you wanna believe
I lost my mind
On fly by nights
[x2]

La la la la la la

Rolling over
And now you wanna believe
I lost my mind

On fly by nights
[x2]

I lost my mind
Lost my mind
I lost my mind
Lost my mind
