I got a wish in my well and it s burning up a hole in my
pocket
A hole in my pocket
Well, I'm feeling closer to hell and it s burning like a big
space rocket
A big space rocket

Yeah

Chorus
When you said I did losing faith
Well it s just like new years day
Fly away, fly away
Yeah it s just like new years day
Fly away, fly away
Yeah it s ba ba ba ba

Oh ah oh ah oh ah ah oh oh oh

We fell asleep top and tails on the carpet it was so
uncomfortable
So uncomfortable
I'm feeling like killer whale, let me free or I will bite your
head off
Will bite your head off

Yeah
Chorus
When you said I did losing faith
Well it s just like new years day
Fly away, fly away
Yeah it s just like new years day
Fly away, fly away
Yeah it s ba ba ba ba

Yeah
Chorus
When you said I did losing faith
Well it s just like new years day
Fly away, fly away
Yeah it s just like new years day
Fly away, fly away

Yeah it s ba ba ba ba
Oh ah oh ah oh ah ah oh oh oh
