My darling told me
She was on her way
She said she'll leave tomorrow
She said she'll leave today
God as my mistress now
And as a friend
She said that prayers were water
She said that I can't swim

So I said hail everybody
I've got nothing left to lose
And I said hail everybody
Cos I have to tell you

Love
Love is a time machine
Bringing you back to me
From out of the blue
I said love
Love is a time machine
Bringing you back to me
From out of the blue

You listen closely
And you fill that head
I make mistakes too often
I make myself look bad
God as my mistress now
And as a friend
She said that prayers were water
She said that I can't swim

So I said hail everybody
I've got nothing left to lose
And I said hail everybody
Cos I have to tell you

Love
Love is a time machine
Bringing you back to me
From out of the blue
I said love

Love is a time machine
Bringing you back to me
From out of the blue
Out of the blue

La, la, la, la, la, la

Love
Love is a time machine
Bringing you back to me
From out of the blue
I said love
Love is a time machine
Bringing you back to me
From out of the blue
Out of the blue
Out of the blue
