We are the friend,
We go days end,
To safer in night,
We promise,
We don't fight,
Safer of jungle,
In double-dekar bus
No anyone know,
This double-dekar bus,
Make horror trouble,
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
Bus travel from,
Stone-age road,
Road feeding their nail,
One elephant tail cut,
Due to running wheel of bus,
Godly elephant convert into evil,
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
Bus crush the stone,
Break driver hands-legs bones.
All buddies fall out of bus,
And, discussed to go walk,
Sound made by wolf,
Wolf want catch us,
We start to running,
Every friend doesn't want,

To make lunch of wolf,
Bunch of stick taken by my hand,
I fall on land,
Due to crush of stone with leg,
One wolf little bit on thumb,
I run fast,
I save life,
My heart going high,
I don't want to tell bye,
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
Reach to mirror room,
Go out the mouse,
Slowly-slowly door open,
Air flow quick&fast,
Everyone go in that room,
To save life from wolfs,
Door close like the seed of thunder,
We blocked in room,
We want to search the door,
But mirror everywhere,
Uper and floor too,
Door unable to see,
There,I make scene,
Mean,Arise the fullmoon day,
Conversion of humanwolf start way,
I start to make,
Hair grow on my bady,
Body convert in the wolf,
My sound go in everywhere,
All are shouted in mirror room,
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
All are timid,
And run to catch and kill,
Anyone but everywhere,
My face saw to buddies,

They shouting in very loud,
I have more power,
And,I break the iron tower,
In the mirror room,.
Many time everyone run up turn up,
Sometime gone and I make normal,
Everyone release their mind,
And starting to search door,
Door search by me,
I open the door first,
We all save the life,
That means,
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
We journally in mirror,
Mirror in the horror,
Horror made by mirror.
