Hey! Girl,
How you make
Your hair?
So beautifull.
They are so happy.
How your hair live free?
How they have extremly Shine?
How they not make wild?
Why are you shying?
How you make
Your hair?
I wanna to touch
Your hair.
Your beautifull hair,
I will be there,
To play with
Your hair.
When,I see,
When,I think,
Your lovely hair,
Give me dream.
You send me photo,
On facebook,
They are of Michael Jcakson,
But,I only see your hair photo.
How you make
Your hair?
I wanna to touch
Your hair.
Your beautifull hair,
I will be there,
To play with
Your hair.
Can,I touch your hair?
When bear mind,
Girl! Auuuuuuuuuuuuu.
What you telling your mind?
I ingross to find,
Your answer,
YES or NO,
Hey girl,
How you make

Your hair?
I wanna to touch
Your hair.
Your beautifull hair,
I will be there,
To play with
Your hair.
Girl, Never say me 'Why?'
I wanna to play with
your hair.
Forget to the world.
If your hair,
Between your two blue eyes,
And, Red lip.
Then, I don't talk
About you,
Because, I lost my word.
And, My world too.
How you make
Your hair?
I wanna to touch
Your hair.
Your beautifull hair,
I will be there,
To play with
Your hair.
