Da, da, da, da, da, da
Oh, please let me be
Da, da, da, da, da
Cover my eyes so I can't see

Lay down beside me
Your hair forms a halo ~round your head
Your tears they wash away my sin
Wash away the sadness I bled

Take me down, take me down
Let me drown, let me drown

Your mouth opened for a scream
You couldn't make a sound
I took the air from your lungs
Mind tells you to move
Your body can't obey
I took your legs so you can't run

Lay down beside me
Your hair forms a halo ~round your head
Your tears they wash away my sin
Wash away the sadness I bled

Take me down, take me down
Let me drown, let me drown
I'll take you down, take you down
Let you drown, let you drown

Oh, oh.

Your fingers laced crown
We sit like kings
As we slowly drift down
Slowly drown

Take me down, take me down
Let me drown, let me drown
I'll take you down, take you down
Let you drown, let you drown
