You're gonna make me cry
You're gonna make me cry, baby
Oh baby, hey, don't make me cry

You're gonna break my heart
You're gonna break my heart
Well, well, well, well, baby
Don't break my heart

You know, love can bring happiness, baby
Love can bring sorrow, love can be here today, baby
You know what? Love can be gone tomorrow
Oh, my baby, don't make me cry

You're gonna make me cry
You're gonna make me cry
Hey, baby, don't make me cry

Love is something that is hard to figure out
But love is something that the whole world wanna know
about
Oh, baby, oh, baby, don't break my heart
But if you insist you're gonna doin' it
This is what I'm gonna do, babe

I'm gonna leave you alone
I'm gonna leave you alone
Hey, baby, don't break my heart

You're gonna make me cry
You're gonna make me cry
Oh, don't make me cry

You're gonna make me cry, yeah, baby
You're gonna make me cry
Hey, baby, don't make me cry
