i sit back thank God for everything everything i got and
for giving me life again when i got shot
truth to being the biggest dope boy on the block
rocks in my socks boxer drawers full of weed
hit me up shawty i got everything you need
you know my game you know my team, our fiber's lime
green
young niggas 17 gone off extasy headed down the
wrong path but all I know is parking bad
...you know we miss you, what's to live for, why you
judging me
i'ma be all i can be, i never been the same since ...left
the streets
at a ca wash when a nigga tried to kill me, rage in my
eyes now they think i'm crazy
wild animal, they need to cage me, all i need is for my
partners to keep real with me
all i need, is a blunt and a coup, a couple of bad
bitches keeping real with me
all i need, a new foreign whip ,soft leather no rims just
factory all i need is for God to have my back compass
on my â€¦ before i die
all i need

i just wanna know shawty why these all niggas hating
on me
they claim to be the greed, i'm just trying to get some
money
i got tired of not having shit, fucked up shoes and
dressing bummy
i can't sell weed and gang bang all my life
sometimes i feel like there's no way, but i'm trying to
find a way
for my partners run away, before they throw they life
away trying to get some good strikes like a referee,
while these many men was deaf on me
fell in love with drugs you call my girlfriend ecstasy
lord get them away from me, while critics keep on
stressing me
hip hop keep neglecting me, learn my â€¦ brain...before
you bring me down

trying to blast on me, like i'm bobby brown
but they kinda love the flocka sound, my words deep
if you ain't tall enough you might drown, motherfucker

all i need is a bad bitch, one blunt, one coup
all i need, a new foreign whip soft leather no rims jus
factory all i need, is for God to have my back so , a
compass on my gold before i die homie
this is all i need, flocka
