Dis that mud drink, my rarri go hard in the paint
Pull up flexin rightht, Hopped out flexin ice
Niggers.. give their life, just to live my life.
Bitches yelling, walking through the crowd,
With a triple cup, p-p-pour me up
hurricane clique,Flags in the sky, walking through the

I swear to god I'm in sky.
Astronaut high, I'm that guy,
Stacks on stacks, racks on racks.
I keep mud on standby,
Got some real niggers that you can't even stand by!

Chorus:

Styrofoam cup, t-t-tripled up
dis that mud drink, four ounces in my one liter
Dis that mud drink, half a pint for my 2 liter
P-p-pour me up, styrofoam cup, Tripled up
Dis that mud music, dis that mud drank
Styrofoam cup, t-t-tripled upp
