[Hook]

I'mma stay 'hood 'til the day that I die  
Yeah - 'til the day that I die  
I'mma twist this weed, my nigga, let's get high  
Yeahâ€¦  
I said I'mma stay motherfuckin' 'hood 'til the day that I  
die  
Phantom, ghost, no wheels, nigga, that's just how I ride  
I come from the hood where you don't testify  
Take murder with no tears off in your fuckin' eyes

[Verse 1: Waka Flocka]

All my niggas ride, where I come from, ain't gon' feel  
ones, nigga  
Fuck you thinkin'?  
Have a fuck boy Pacquiao plankin'  
'Til the loud got plain, too, drinkin'  
50K for a show, no poppin'  
Spit izzle to a dumb bitch ears  
Broke niggas can't talk like this  
Rolex on my main bitch wrist  
Blood bottoms on a young nigga boots  
Looks like I just stomped a nigga out  
Get your man down, nigga, lights out  
Shoot at your ass with that mouthin' about  
He ain't talk no more, what's happening?  
Outside your mama house, what's crackin'?  
Poppin' mollies like Tylenols and Aspirin  
Geeked up, pull up, hyena laughin'  
Them boys ain't real, stop actin' like us  
In the squad, I bust, get cheese like crust  
I'm the only motherfucker that I really trust  
In a bad bitch's guts - always  
Countin' money like always  
Gettin' money from three-ways  
I could never, ever see no rainy days

[Hook]

I'mma stay 'hood 'til the day that I die  
Yeah - 'til the day that I die  
I'mma twist this weed, my nigga, let's get high

Yeah€!  
I said I'mma stay motherfuckin' 'hood 'til the day that I  
die  
Phantom, ghost, no wheels, nigga, that's just how I ride  
I come from the hood where you don't testify  
Take murder with no tears off in your fuckin' eyes

[Verse 2: Lil' Wayne]

Hollygrove in this motherfucker  
I'm tired of all these big niggas  
These motherfuckers like Robitussin  
I'm rollin' up with my bitch, nigga  
As a matter of fact, she roll it for me  
Swisher Sweets, swish, nigga  
Hit that shit like an open jumper  
Rest in peace Lil' Beezy  
I wish my nigga could see me now  
Motherfuckers better king me  
I'mma walk around wearin' Jesus' crown  
These niggas just pussy  
I'mma let that chopper eat 'em out  
Dead body in the bushes  
Well that's a bush you don't beat around  
Beat your ass with my skateboard  
Weed loud like you make noise  
I'm on them trees like Akon  
My cellphone goin' napalm  
Guns sound like bass drums  
Young Money, drum section  
Psycho€! ward, nigga - 1-7, Tunechi!

[Hook]

I'mma stay 'hood 'til the day that I die  
Yeah - 'til the day that I die  
I'mma twist this weed, my nigga, let's get high  
Yeah€!  
I said I'mma stay motherfuckin' 'hood 'til the day that I  
die  
Phantom, ghost, no wheels, nigga, that's just how I ride  
I come from the hood where you don't testify  
Take murder with no tears off in your fuckin' eyes
