Watch out, you might get what you're after
Cool babies, strange but not a stranger
I'm an ordinary guy
Burning down the house
Hold tight, wait 'till the party's over
Hold tight, we're in for nasty weather
There has got to be a way
Burning down the house
Here's your ticket, pack your bags, time for jumpin'
overboard
Everything's stuck together
I don't know what you expect staring into the TV set
Fighting fire with fire
All wet, hey you might need a raincoat
Shakedown, dreams walking in broad daylight
Three hundred sixty five degrees
Burning down the house
Burning down the house
My house is out of the ordinary
That's right, don't want to hurt nobody
Some things sure can sweep me off my feet
Burning down the house
It was once upon a place, sometimes I listen to
myself
Gonna come in first place
People on their way to work said, "Baby what did you
except?"
Gonna burst into flame, go ahead
Burning down the house
Burning down the house
