You got curves like the ocean
Gonna take it in slow motion
Got emotions that'll make it last
You got freckles on your shoulder
Ammunition like a soldier
And visions, ambitions to be the best

Oh and Jenny why don't we, Jenny why don't we be
getting together
I said Jenny shouldn't we, Jenny shouldn't we be getting
together

Jenny's got a body just like an hourglass
But I'm taking my time, taking my time
I wanna be the sand inside that hourglass
Take it slow, oh, oh
Gonna make it last

Jenny got your number
And I got you for the summer
It's a bummer that things go so fast
It's been a ride like days of thunder
But these days have been a-running like sad through
the hourglass

And I've been dreaming that we could, dreaming that
we could be sticking
Together
And I got evidence cause every time we turn the corner
it's up against the
Wall
And as the rest of the world fades out
As the rest of the world fades out

Thinking Jenny's got a body just like an hourglass
But I'm taking my time, taking my time
I wanna be the sand inside that hourglass
Take it slow, oh, oh
Jenny's got a body just like an hourglass
Taking my time, taking my time
I wanna be the sand inside that hourglass
Take it slow, oh, oh

But I'm not gonna take it from you
I'll let you give it to me

I said I'm not gonna take it from you, I'll let you give it
to me

I said I'm not gonna take it from you, I'll let you give it
to me

I said I'm not gonna take it from you, I'll let you give it
to me

Yeah I said I'm not gonna take it from you, I'll let you
give it to me

I said I'm not gonna take it from you, I'll let you give it
to me

I said I'm not gonna take it from you, I'll let you give it
to me

Yeah I said I'm not gonna take it from you, I'll let you
give it to me

Let you give it to me

Let you give it to me

Let you give it to me

Let you give it to me

J-j-j-jenny's got a body just like an hourglass

But I'm taking my time, taking my time

I wanna be the sand inside that hourglass

Take it slow, oh, oh

Jenny's got a body yeah

Jenny's got a body yeah

I wanna be the sand inside that hourglass

Take it slow, oh, oh

Gonna make it last
