Let us burn one from end to end
And pass it over to me my friend
Burn it long, we'll burn it slow
To light me up before I go

If you don't like my fire
Then don't come around
Cause I'm gonna burn one down
Yes I'm gonna burn one down

My choice is what I choose to do
And if I'm causing no harm
It shouldn't bother you
Your choice is who you choose to be
And if you're causin' no harm
Then you're alright with me

If you don't like my fire
Then don't come around
Cause I'm gonna burn one down
Yes I'm gonna burn one down

Herb the gift from the earth
And what's from the earth
Is of the greatest worth
Before you knock it try it first
Oh you'll see it's a blessing
And it's not a curse

If you don't like my fire
Then don't come around
Cause I'm gonna burn one down
Yes I'm gonna burn one down
